Hi Diann,

Can we publish these changes on Wednesday 7/22? The date may move but for now it looks like we will make it work for 7/22.

Thanks!

Great, It usually is published as soon as the SC finalizes it.
If you want a particular date, let me know.

Thank You!
Regards,

Diann

Oh awesome. That sounds easier than I thought. I will attempt to do this later today. One question, can I sent a date for when it should be published or is it published as soon as the SC approves it?

Thanks!

Hi Josh,

You can go into the CEF directly and make the changes. Once you have made your edits, submit to it the CIC for review. The CIC should be in the dropdown field next to the SUBMIT button. Also, who is the section chief. I have Michael Sivak. Once the CIC (Shereen Kandil) reviews, it will go to the SC for final approval.

You can cut and paste this information into the CEF since you have an updated Word document. If you have any other questions, please feel free.

Thank You!

Subject: Website update for Riverside superfund site

Hi Diann,

I am working on Riverside Industrial Park superfund site. We are planning for the publication of the proposed plan on 7/22 and this is my first time updating the website. Attached are the changes to that need to go into effect on July 22. Please let me know what I need to do to update the website for my site (<https://cumulis.epa.gov/supercpad/cursites/csitinfo.cfm?id=0204232>).

Thanks!

Josh
